SECTION 1. PREAMBLE

- A. THIS AGREEMENT has been made and entered into between the CITY OF ALBUQUERQUE (hereinafter referred to as the "Employer" or the "City") and Local 624, of the AMERICAN FEDERATION OF STATE, COUNTY, AND MUNICIPAL EMPLOYEES, AFL-CIO, (hereinafter referred to as "Local 624" or the "Union").
- B. The parties agree that their respective policies will not discriminate against any employee covered by this Agreement because of race, age, sex, creed, color, national origin, union or non-union affiliation, ancestry, religion, disability, sexual orientation, Vietnam Era or disabled Veteran status or medical condition. Sexual harassment will not be tolerated.
- C. The general purpose of this Agreement is to provide for orderly and constructive employee relations in the public interest and in the interest of the employees herein covered and the City of Albuquerque as Employer; to maintain harmony, cooperation, and understanding between the employer and the employees in the Unit; to afford protection of the rights and privileges of all employees in the Unit and the Employer; and to ensure the continued delivery of services to the citizens of Albuquerque.
- D. The Employer, Local 624, and its members agree that every effort will be made to administer this Agreement in accordance with the true intent of its terms and provisions to the end of maintaining sound labor management relations.

SECTION 2. SCOPE OF AGREEMENT

- A. This Agreement relates to the employees of the City of Albuquerque in the designated collective bargaining unit. The parties do hereby acknowledge that this Agreement represents an amicable understanding reached by the parties as the result of negotiations of the parties as provided in the City of Albuquerque Employee Relations Ordinance.
- B. This Agreement replaces in its entirety any and all previous Agreements and represents the only Agreement of the parties hereto. When any conflicts occur, this Agreement shall govern as provided by the City of Albuquerque Employee Relations Ordinance.
- C. Under normal circumstances, the Union will be given prior notice of proposed changes in City or department wide written policies that directly affect bargaining unit employee working conditions. The Union will be given fourteen (14) days from the time of notice to provide input. This input period may or may not delay implementation, but may require revision or cancellation of the originally proposed policy. The parties may agree to extend time limits by mutual consent.
- D. The Union will be allowed to provide input through the Office of Employee Relations on all changes in policies, rules and handbooks.

SECTION 3. RECOGNITION

- A. The City recognizes Local 624 as the sole exclusive bargaining representative in all matters pertaining to hours, wages, working conditions, and all terms and conditions of employment for employees in the Unit described in this Agreement.

- B. The City recognizes Local 624 as the exclusive bargaining representative for the following employees:
1. All permanent non-probationary B-Series employees whose job code begins with a 1, 2, or 3, performing work classified in the 1, 2, or 3 job code series.
 2. New permanent positions whose job code begins with a 1, 2, or 3 shall automatically become part of this bargaining unit.
- C. The parties agree of inclusion of part-time permanent Blue Collar Employees in the AFSCME Local 624 Bargaining Unit.

SECTION 4. DUES DEDUCTION

- A. During the life of this Agreement and upon receipt of a voluntary authorization for dues deduction card, the City will deduct from the pay of each employee who has executed an authorization card, membership dues levied by the Union in accordance with its constitution and by-laws. The Union will provide dues deduction and termination cards. Termination cards must be signed by the Union President. An employee wishing to terminate their dues may do so during the first week of January and July.
- B. The City agrees to forward to the Local 624 Treasurer all dues withheld pursuant to valid authorization cards. Dues withheld will be forwarded to the designated Union Treasurer for each payroll period. The City will be notified in writing as to whom the designated Union Treasurer is by the elected Union President.
- C. Employees may authorize for payroll deduction amounts over the minimum dues levied by the Union by submitting a written voluntary request on an approved form.
- D. Employees promoted to a position outside the bargaining unit will be automatically withdrawn from Local 624 membership by Personnel Action Form P-1 processed by the City.
- E. All bargaining Unit employees will be automatically dropped from paying Union dues or fair share while on early retirement from city services.
- F. Payment of a agency fee by bargaining unit members who are not dues-paying union members for expenses related to negotiating and administering the collective bargaining agreement and adjusting grievances and disputes of bargaining unit employees has been authorized by Resolution of the Albuquerque City Council. The Resolution requires that any agency fee provision negotiated pursuant to the Resolution comply with all State and Federal requirements. Pursuant to this Resolution, the following procedure shall be implemented for payment of agency fees:
1. The use of the full dues checkoff by at least 50% of the bargaining unit members shall constitute proof that the 50% union membership required by the Resolution has been met.
 2. The amount of the agency fee shall include only costs related to the negotiation and administration of the collective bargaining agreement and the adjustment of grievances or disputes or bargaining unit employees, provided, however, that in no event shall the fee exceed 75% of the Union's membership dues.

3. The procedures used by the Union for calculating and collecting the fee will comply with all State and Federal requirements. Those procedures will include provision of a notice to non-members every 12 months informing them of the amount of the agency fee for the next 12 months and the basis on which that amount was determined. The notice also will inform non-members that they have the right to challenge the amount of the agency fee through a procedure set forth in the notice, under which any challenges will be resolved by an impartial decisionmaker. To the extent that applicable State and Federal Law requires that any portion of a challenger's agency fee be held in escrow pending resolution of the challenge, the Union will comply with any such requirement.
4. At the same time as it provides to non-members the notice described in subparagraph 3, the Union shall certify to the City, in writing, by a duly authorized officer, the amounts to be deducted as agency fees during the 12 month period then commencing. Upon receipt of that certification, the City shall commence making employee payroll deductions of the specified agency fee payments for each pay period of that 12 month period.
5. All money deducted from wages for agency fees shall promptly be remitted to the Union after the payday covering the pay period of the deduction. If any employee has insufficient earnings for the pay period, no agency fee deduction will be made for that employee for that pay period.
6.
 - a. The Union will indemnify and hold the City harmless against any and all claims, demands, suits or other forms of liability, including payment of reasonable attorney fees and costs for counsel selected by the City, for any claim or challenge to imposition of an agency fee.
 - b. If an Arbitrator finds that the Union has failed to indemnify and hold the City harmless against any and all claims, demands, suits or other forms of liability that shall arise out of or as a result of any conduct taken by the City for the purpose of complying with this section, he/she may award the City the ability to withhold payment of dues/agency fees until the obligation of indemnification is satisfied.
7. In the event any part of this Section is held invalid by a court of competent jurisdiction, the City and the Union will meet to renegotiate the affected provisions.

SECTION 5. UNION RIGHTS

- A. The employer agrees that Local 624 Officers, staff representatives, and stewards shall have reasonable access to the premises of the Employer after giving appropriate notice and obtaining approval from management in charge of the specific work area. Such visitations shall be for the purpose of administering this Agreement. The Union agrees that such activities shall not interfere with the operational requirements of the Employer. It is recognized that both parties are interested in implementing pilot programs, where feasible, for the broader use of ten (10) hours per day, four (4) days per week. In any areas where this approach is tried, management shall provide for input from the Union.
- B. All permanent, non-probationary full-time employees will be provided the opportunity to work a 40-hour week. When temporary conditions are such that normal duties cannot be performed as a result of weather or lack of equipment or work, alternative duties of benefit to the City may be assigned to affected employees, or the employee may utilize accrued vacation leave or leave without pay. Nothing in this Section shall be construed to preclude actions under Section 28 of this Agreement.

In areas where the employees and management wish to implement flexed work schedules, the parties may modify work hours by mutual agreement.

Employees who have signed up for voluntary overtime shall be offered overtime in seniority order on a rotating basis. If the above procedure has been followed and no employee on the list is available for overtime work, overtime shall be assigned in reverse order of seniority on a rotating basis. The employee assigned will be required to work the overtime. Scheduled overtime is over time that is anticipated and can be reasonably scheduled in advance.
- F. Unanticipated overtime is all overtime which cannot be anticipated and or reasonably scheduled in advance of the employees regularly scheduled shift. Unanticipated overtime work assignments, which immediately follow a regular shift, may first be assigned to the employees who are performing the work at the end of the regular shift.

The employer will provide a lunch break of at least 30 minutes but not to exceed one hour on non-pay status. The employer may also provide a lunch period to be taken on City time which will be sufficient for the employee to eat lunch as long as the paid lunch period has been approved by the Department Director and the Office of Employee Relations. The lunch period should occur approximately at mid-point in the work shift. When the lunch period occurs on non-pay time the employee will not be required to remain at the work site during the break. The parties may agree to other conditions by a memorandum of understanding.

SECTION 10. SPLIT SHIFT

No employee will be assigned a split shift.

SECTION 11. SHIFT PREFERENCE

- A. When work schedules are to be changed, as a result of vacancies, reorganizations and/or changes in assignments, shift selection will be offered to employees by seniority. Seniority for this purpose shall mean continuous non-probationary permanent full time service within the division, then the department, as a member of the bargaining unit. Bidding for shift selection can only be done within current classification and work unit. The parties may agree to other conditions by memorandums of understanding at the department or division level. The Union may initiate action to determine employee preference within fifteen (15) days of the signing of the contract.
- B. For purposes of shift preference seniority shall not be considered to have been interrupted by transfer to physical layoff status or by placement on any leave approved by the City if the employee returns to his/her previous classification and work unit immediately after the release from physical layoff or any other approved leave. Shift preference shall be exercised during the regular shift selection process.

SECTION 12. CONSECUTIVE SHIFT

This determination will be made by the employee's immediate supervisor on a case by case basis. Employees whose job assignments are such that wash up time is unnecessary will continue to perform duties of a benefit to the city. Problems that arise with this section will be handled through a mutual effort by the Union President or his/her designee and a representative of the Office of Employee Relations who will investigate and attempt to resolve the problem.

SECTION 14. CHANGE IN WORK HOURS

- A. A permanent change in work hours requires a one hundred twenty (120) hour advance notice to include a minimum of three (3) working days to the employee.
- B. Temporary changes in working hours will not exceed thirty (30) calendar days. This language does not condone a pattern of repeated temporary changes.
- C. Employees who are to have their work schedules changed on a temporary basis or who will have their work schedules changed due to a modified or light duty assignment shall be given reasonable notice.

SECTION 15. STANDBY TIME

- A. Employees assigned to standby status shall receive four (4) hours of straight time pay for each twenty-four (24) hour period. Should an employee be unable to complete a standby assignment and another employee has to be assigned, the standby pay for that period of time will be prorated between the employees who worked the assignment.
- B. Such twenty-four (24) hour period shall start at the time the employee begins his/her standby status.

- C. It shall be the responsibility of the employee placed on standby status to keep his/her supervisor informed as to where he/she can be reached. Standby time shall not be considered time worked for the purpose of computing overtime payment. Employees on standby status will be given a reasonable amount of prior notice. Standby assignments will be rotated.
- D. The City will continue current practices regarding standby assignments. The Union and each department will develop Memoranda of Understanding regarding such practices.

SECTION 16. CALL-IN GUARANTEE

An employee called back to work, in addition to his/her normal work schedule, will be guaranteed for each such call-in a minimum of two (2) hours at time and one-half (1½). Call-in time shall commence at the time the employee is contacted and shall include a reasonable amount of time for travel to work. This provision will not apply if the overtime immediately precedes or immediately follows the regular work shift. This benefit may not require that call-in be paid again if additional call-ins occur within the two hours already guaranteed.

SECTION 17. LEAVE WITH PAY

- A. As a benefit of employment with the City, leave with pay is available for the following reasons: birthday, vacation, illness, holiday, on the job injury, emergency, City business, jury duty, witness for the City, voting, annual military service, education, and work related legal court subpoenas when the employee is not a party to the lawsuit. All requests for leave will be submitted for approval on City Form P-30 "Request for Leave of Absence", and will have any necessary documentation attached. If an employee desires to be absent from duty before the necessary forms have been submitted and approved, he/she must request approval from his/her immediate supervisor within a reasonable amount of time before he/she was regularly scheduled to report for duty, and the supervisor must respond within 3 working days from the date of the P-30 request.

The employee's birthday may be taken on the actual birthdate or an alternate date following the birthday. Alternate days must be taken within one year following the actual birth date. State Law requires that under certain conditions, all employees who are registered electors be granted two (2) hours with pay between the opening and closing of the polls to vote on all election days. Department directors must grant this time off for voting if requested by employees registered to vote. Department directors should schedule the time taken so that the delivery of services is affected as little as possible. Departments will not grant time off with pay to any employee whose normal work day begins more than two (2) hours after the opening of the polls, or ends more than three (3) hours prior to the closing of the polls. Time taken off for voting can be used for no other purpose. Department Directors may require an employee to prove that he/she is registered and an eligible voter.
- B. If leave to vote is scheduled at intervals during the work shift, employees will be given a choice of scheduled time by seniority.
- C. An employee who is eligible for leave to vote, and who votes during non-working hours, will be awarded one (1) hour compensatory time in lieu of leave to vote.

Military leave with pay will be authorized for all employees who are members of the National Guard or Air National Guard of New Mexico or any organized reserve unit of the Armed Forces of the United States, including the Public Health Service for a period not to exceed fifteen (15) days in each calendar year. This leave is in addition to other authorized leave, when they are ordered to active duty training with such units. Employees who are called to monthly active duty training for the military reserve or National Guard, and who do not have sufficient seniority to bid for weekends off, will be allowed to trade shifts with employees of equal grade and qualifications within the work unit in order to fulfill their military obligations. The employees agreeing to the trade must notify their supervisor, in writing, 40 hours in advance of the shift trade.
